 High School and Middle School buildings will release students at 3:20, while Intermediate and Primary buildings will release students at 3:15. The ECC will release at 3:05 and transport the bus riding students only to the Primary building, where they will be reorganized into the proper bus lines. Intermediate will load the buses shortly before the H.S. and M.S. students who will load simultaneously, but all three buildings will load in the bus lane between the Middle School and Event Center. Gilbert will be blocked both directions during the 5 minute loading time for the H.S. and M.S. at the bus lane. Buses will leave the lane at 3:25 and head south on Gilbert to the Primary School.
