

Cleveland Middle School Supply List 2024/25

At Cleveland Middle School your student will be attending 7 different classes throughout the day. They will have a locker assigned so that they may keep binders, bags, coats, etc. and retrieve necessary supplies between classes. Each teacher will provide specific items needed for their class during the first week of school. For the first day your student should take paper and pencil/pen to each class. We strongly recommend your student use a binder and pencil bag for all classes. Some classes will require a binder specifically for that class.
